

Recruitment, Admissions and Enrolment Policy and Procedure

SCOPE

This policy applies to GBC VET students and all GBC staff who deal with all matters concerning VET.

POLICY

This policy supports the ESOS National Code 2019 and Standards for Registration Training Organisation (RTOs) 2015

1. GBC recruits students in an ethical and responsible manner and provide information that enables students to make informed decisions about studying with the registered provider in Australia. GBC ensures students' qualifications, experience and English language proficiency are appropriate for the course for which enrolment is sought.
2. Written agreements stated in GBC Letter of Offer and Enrolment Agreement between GBC and students set out the services to be provided, fees payable and information in relation to refunds of tuition fees.
3. GBC is to have a written agreement with each student. GBC does not accept tuition fees from students before a Letter of Offer and Enrolment Agreement has been signed by the student.

GBC enters into a written agreement with the student, signed concurrently with or prior to accepting tuition fee from the student. The agreement must:

- a. identify the course or courses in which the student is to be enrolled and any conditions on his or her enrolment
- b. provide an itemised list of tuition fees payable by the student
- c. provide information in relation to refunds of tuition fees
- d. set out the circumstances in which personal information about the student may be shared between the registered provider and the Australian Government and designated authorities and, if relevant, the Tuition Protection Service. This information includes personal and contact details, course enrolment details and changes, and the circumstance of any suspected breach by the student of a student visa condition; and
- e. advise the student of his or her obligation to notify GBC of a change of address while enrolled in the course.

GBC includes in the written agreement the following information, which is to be consistent with the requirements of the ESOS Act, in relation to refunds of tuition fees in the case of student and provider default:

- a. amounts that may or may not be repaid to the student (including any tuition fees collected by education agents on behalf of GBC);
 - b. processes for claiming a refund;
 - c. a plain English explanation of what happens in the event of a course not being delivered; and
 - d. a statement that "This agreement, and the availability of complaints and appeals processes, does not remove the right of the student to take action under Australia's consumer protection laws".
4. The GBC recognises qualifications and Statements of Attainment issued by another RTO. Where a student enrolls in a qualification delivered and assessed by GBC, then the College will

recognize units of competency included on a Statement of Attainment/ Records of results issued to the applicant by another RTO towards the qualification assuming the units meet the packaging rules of the qualification delivered by the College.

5. GBC recognizes students prior learning. Recognition of Prior Learning (RPL) is a process through which applicants gain course credits based on experience gained through similar study (but not direct equivalent), work experience (in any form) or through informal or formal training or other life experiences.
6. GBC ensures that all procedures and policies for international students enrolling into a course offered by us are followed correctly. GBC has a student record management system RTO Manager in place that provides data that meets the AVETMISS Standard.
7. GBC ensures that all students have been provided with adequate information in order to enable them to make an informed decision about whether the course will meet their learning needs, including information about the course in which they are enrolling, fees and refund policy, living in Australia and studying at GBC.
8. GBC screens students prior to accepting their application and again on enrolment to ensure that they meet the English language and LLN requirements and have the capacity to successfully undertake the course.

PROCEDURE

1. Student Engagement Before Enrolment

Prior to GBC accepting a student, or an intending student, for enrolment in a course, we provide, in print or through referral to an electronic copy of College brochure (Shape the future) and Student Handbook, current and accurate information regarding the following:
